

YOUR NEIGHBOR'S SKYRUN STORY

The Challenge

Megan was struggling to get reliable and consistent service from her property manager. She felt like there was a lack of communication and that her property wasn't making as much revenue as she had hoped. She also struggled to book stays at her property as the booking software was antiquated and difficult to use.

- ✓ SkyRun is quick to respond
- ✓ SR generates more revenue
- ✓ SR doesn't nickel and dime
- ✓ SR makes booking owner stays seamless

- ✓ Poor communication
- ✓ Nickel and dimed
- ✓ Lack of revenue
- ✓ Trouble with booking owner stays

The Solution

Megan decided it was time to make a switch. She started looking for a local property manager. After meeting with SkyRun and discussing her concerns, she decided to sign up. Megan can now easily get a hold of her property manager, and she's also making more revenue as well. When she wants to book an owner stay, SkyRun makes it an easy and seamless experience.

The Results

\$65,000
First years revenue

1
Year with SkyRun
