

## YOUR NEIGHBOR'S SKYRUN STORY

### The Challenge

Meet Suki, a vacation rental owner who was frustrated with her current property manager – they dropped the ball, were slow on the uptake, and were hard to reach. Determined not to settle, Suki set out to find a better property management company.

- ✓ Missed expectations
- ✓ Unresponsive property manager
- ✓ Paying too much in fees
- ✓ Priced rental too low

- ✓ SkyRun hands on approach
- ✓ SR quick to respond to Suki
- ✓ SR marketed and increase bookings
- ✓ SR gives Suki the peace of mind to be hands off

### The Solution

Enter SkyRun, a game-changer that came into Suki's life through a simple postcard. Armed with tough questions, she grilled Mandy about their unique property management approach. Mandy's responses were like a breath of fresh air – solid, reassuring, and packed with expertise. SkyRun's strategies breathed new life into Suki's vacation rental dreams. Mandy's knack for creating inviting spaces and clever marketing turned Suki's property into a hotspot for travelers, resulting in a delightful spike in income.

As a cherry on top, Suki found herself unburdened from the day-to-day hassles. SkyRun's seamless management took the load off her shoulders, allowing her to savor the joys of property ownership without the headaches.

*"Mandy is super easy to work with and is a very hard working person! As a woman who knows how to get things done, I appreciate working with another woman who's also professional and accomplished. "*
